Truffle Wheeler

June 6th 2005 - May 23rd 2013.

I could not ask for a more lovable cat than Truffle, she would always cheer you up when you're down and her purr would just make you smile! It was the sound of a chainsaw you could hear her from a mile away. She was a happy, fat, white chocolate Siamese along with her sister Maisie, who were inseparable. She would always look out for her sister when she wasn't munching on food. You had to be careful if you had meat around her because in the blink of an eye it would be off your plate and in her mouth. I remember one time we were having sausages for dinner and I went into the kitchen to grab some salt and came back in and there were only 2 left! I looked under the table and there she was munching on it, aha. She loved to give you a cuddle anytime and any day, she would curl into a ball on your lap and sleep for hours, and that is the best company I could have asked for.

She is sadly missed and always loved by everyone in the family. It was a honour and a pleasure to have her for the 8 years we had her and I wouldn't change one thing about her or any of the time she had with us.

Rest in peace my little girl, you are always in our hearts.
