

Gemma Haigh

Little girlie you made us
laugh, you made us cry.

We always laughed with
Daddy that you were
his effeminate side.

When we came into the room you always
had a huge greeting.

I will never forget that you always gave
lots of love to all who knew you.

Your heart may have stopped beating but
your spirit will always remain with
Daddy as does Chip's.

Go now and find him Princess,
you will always be in Daddy's heart
as you will ours.
