

# Gemma Haigh

Gemma, we never really got  
to play with You or Chip  
but we new when your  
Daddy used to visit our  
Mum and Dad because  
you took precedence over  
the spare room with Daddy and Chip.

I know we will meet one day in heaven  
where we will play.

Until then licks and kisses to You and Chip

Bye Bye for now xx

Priscilla and Elvis
