

# Gemma Haigh

Dear Gemma,

Will surely miss current  
updates of your little  
walks to the park,  
your special cooing cries to wake up  
John and get his attention :-)))

I know John will have empty spaces to fill  
but you and Chippy are together to get up  
to all your mischief :-)

You I know without having met you, the  
reaction you have had on your daddy John  
is sweet and treasured immensely.

Go now and enjoy yourself with Chippy
