Woody Hoadley

On Friday 20th September our beloved cocker spaniel, Woody, passed away.

We were with him to the end and from the moment he came into our lives we were blessed with the most loyal, loving, best behaved pooch we could ever have asked for.

He truly made a lasting impact on our lives and we are humbled that we were able to make him part of our family for so many years.

We love you sweet boy and will never forget you.
