Sugar Routledge

03/03/05 - 25/01/2014

Today we lost our beloved best friend Sugar.
For nearly nine years you gave us so much
unconditional Love and Happiness
and have left us with very heavy
and empty hearts.

You were a champion, the way you
fought with your illnesses in the last
twelve months of your life.

Enjoy your Angel wings baby girl
and run free at the Rainbow Bridge,
until we meet again.

Love you always Sugar
RIP
