Tin-Tin Day

My Beautiful Tin-Tin,
When I first saw You,
It was Love at first sight,
You are my Sunshine,
You are the Stars at Night,
You are and always will be in my Heart,
We will never, ever be apart.

I Love You My Darling Boy,
My Sadness, and My Joy,
The day you went to be with the Angels
Because you needed to sleep
My heart was broken, I could only weep,
Because l love You Tin-Tin.

I miss you on my pillow,
I miss you Everwhere.
I cry like the Weeping Willow,
But in the gentle breeze
the sound of you I hear,
Beautiful Tin-Tin
I know you are near.

Sleep Peacefully Tin-Tin
