Sweep

You were full of life for almost 16 years, but then started to fail. You were feisty and walked to the beat of your own drum but everybody who met you thought you were the brightest cat they had ever met.

I miss you so much and just wish I could go back and enjoy you all over again. You were abandoned as a kitten on a major road and brought to me and everybody said not to keep you as I already had two cats, but I am so glad I did.

I will never forget you and
will think of you and love you forever.
