Alfred Galliano

Captain of the Ship
In Memory of Alfred Galliano

Born in 1997 - Passed away 2014.

My little beloved Alfred, 'the elf' who was
my teacher and guide for over 17 years.
As we journeyed by air, sea and land, passing through
adventures, encounters and countries, you were the
constant thread of companionship and steadfast love.

'Wherever you go I will go' ... I carry and cherish you,
Mein Geliebter Freund (My Beloved Friend),
in my heart, mind and soul as we continue
to journey through heaven and earth.
