

# Tubs Jennings

I got Tubs (formerly known as Simon!) from Battersea Dogs home in September 2011, He had been there for almost a year as no one wanted to take him on.

He was a complete handful but I never gave up on him and he was one of my best friends and my companion for 4 amazing years.

He was diagnosed with stomach cancer in July 2015 and passed away on November 21st 2015. He died with his paw in my hand in the comfort of his own home.

I don't regret a single thing adopting a troubled rescue dog. I would urge others to go to Battersea and help similar dogs in need if you are able to give them the care and love they need.

I want to thank everyone who looked after him and for putting up with his wild ways.

He will be forever missed by all & never forgotten x
