Lynx

We write this tribute with a heavy heart.
We have lost a gentle, loyal, brave friend.
Such an amazing, handsome boy.

Thank you for the past 12 years - the thousands of enjoyable walks, the pleasure watching you run around the field, the patience of being Ben's big brother, your ability to listen and understand.

You are a great dog and you will be in our hearts forever.

You are no longer in pain now boy, may you rest in peace.

Sending all our love, hugs and a tickle behind the ears

Eddy, Beth, Kerry, Ben, Winky
and the Funny Farm
