Zoe Follett

Zoe was Gentle, Courageous, Loving, Strong,
Soulful, she had Wisdom, she was perfect.

Such admirable qualities from a dog whose beginnings of life you wouldn't wish to imagine changed into something wonderful.

30th Dec 2008 the moment I saw this beautiful dog,
everything about her captured me.
Her quiet, friendly, soulful eyes.
She was shut down, she lacked any interest in her environment but she responded to my words, love, strokes and outbursts of tears as I sat with her in the kennel.
