Woogie Meader

This tribute is to honour the loving memory
of WOOGIE our special girl.
Only the shortest space of time,
eighteen months has passed since
you came home with us from Dogs Trust rescue!

Your happy face and cheeky smile just stole my heart.
As soon as I saw your photograph I knew you were
the one for us. It truly was love at first sight,
we had a bond of love, trust and affection
from the first moment we met.
It simply was meant to be!

Now that trust and love has had to pass the ultimate boundary as I have had to release
you from the sudden totally unexpected illness that claimed you so soon.
My heart is shattered. I was expecting so much longer!
We carry this dreadful pain now so you could be spared suffering.
You were so strong, brave and happy, showing so little of what was happening to you
.
Touching the lives of many, your cheeky personality, happy smile, wagging tail, and the
best bark in the world made you many friends, human and doggy alike.
Everybody who knew you loved you!

From the first moment you came home you were comfortable and content
settling into life with us as though you had always been ours.
No crying, no distress, just contentment, happy times and a love of life.
We miss your happy morning greeting, the joyful woof, bringing your sheep toy for a
treat, wagging tail, and kisses but these are just some of the things we will hold
in our hearts for the rest of our lives until we are together again.

I do not know why you had to leave us so soon but I am truly grateful
that we were able to save you from both an uncertain past and painful,
undignified end to your happy life with us.
It is said that the ultimate expression of love is being able to let go
for the sake of that you love, which is why we are where we are today.

I promise you that you will hold that special place in our hearts and souls forever,
loved and cherished with the same adoration you gave to us.

Goodbye our Sweetest Girl
Your human Mum and Dad,
Jake, Jerry-Lee and Little Ras
