Elvis

We had you for 13 years but had to let you go to be one of God's Little Angels.

Elvis, you have broken OUR hearts in two. Priscilla misses you terribly but knows you are in a better place.

Good night, God bless my Boy Boy until I can lay with you once again.

We love you Elvis WITH ALL OUR hearts.
God bless you, tell Mummy and Daddy and Tony they will have to walk with you. You will find them soon enough.

We miss you so much but know you are now pain free and that's all we ever wanted for you.

Night Night Boy Boy.

We love you Elvis WITH ALL OUR hearts
to the moon and back
