

ELVIS

This is what you looked like as a baby I can't tell you how to find your footing in heaven, but all I know is as each month has come and gone, it seems like only yesterday that we got this little bundle of the biggest joy you can imagine along with your beautiful sister Priscilla.

Elvis you enriched our lives and everybody's who ever you came in contact with I now know that you are at peace not you are probably strutting them baby looks once again and melting everyones heart.

Daddy is still devastated but also knows you had to be one of Gods angels.

We love you boy boy always have always will.

With love from

Daddy Lee. Daddy Christopher
& your beautiful little girlie Priscilla xxx
