Lilly

Born on the 2nd June 2014
Taken from us on 10th August 2017

In memory of our darling little Lilly,
whose life was taken from us at such a young age.
She was a feisty naughty little girl,
but so loving and demanding of attention,
she created a big presence in our life.
She is deeply missed by us and her friend and playmate Sophie

Lilly

Rest in Peace My Love
