Jimbo and Millie

You are so missed by us all

You were family and will always be missed and remembered.
We miss you both making us laugh, just being there for us,
greeting us at all times of the day.
Telling us when you wanted something, dinner, ham, treats etc.

We miss Millie making sure she gets under the duvet.....
then wanting out because she's too hot.
We miss the way you both got excited when it was time for walkies.
We miss you in so many ways, there are too many to mention.

We believe you are now with our families &they are
looking after you, treating you with ham whenever you want it.
You are so badly missed and we loved you so much.
You gave us 16 & 13 very happy years, you will always be remembered.

With Love from us All
