Kesi

16.9. 2016 - 18.5.2019

We had to say goodbye to a member of our little family, our beautiful little fur baby girl Kesi

..... she has been ill for many months but she was our strong little dragon with beautiful loving heart and for many weeks she fought to stay with us

We miss her more than words can describe but she is in better place without pain and struggle and she will forever be in our hearts
