Our Little Man
Mr Jake

Our hearts are broken and our family [illegible].
We rescued you just over seven years ago and
from the moment you entered our lives you brought us
such immense joy and happiness.
We are so very sorry we had to put you to sleep but
we did not want you to suffer anymore, we are grateful
we were able to do this for you at home and be with you.

Your sister Beadle has kept vigil for you,
she misses you but has been a great comfort to us both.
We will miss your meeping, cuddles and kisses.
You were the most perfect sweetest little man
we could have ever wanted and we were blessed to have you in
our lives, you made everyone you met happy.
We love you so very much baby boy and we will always
remember you and miss you every day.

Wait patiently for us Ickle Pickle.
Until we are all reunited once more you will live on in our
hearts and souls
