

Our Beautiful Maxiboy

You filled our hearts with so much love
With lots of kisses & lots of hugs
You're now an angel up in Heaven
You will always be remembered & will never be forgotten
We wish we could have just one more cuddle
So we can hold you tight, & to say
goodnight, sleep tight our friend
Until we meet you again.

We love you to the moon, the stars & back again.

We will miss you & love you always

Love Mum & Dad
