

Our Beautiful Maxiboy

You filled our hearts with so much love

Lots of kisses, lots of hugs
Now an angel up in Heaven
Will always be remembered
And will never be forgotten

I wish I could just have one more cuddle

Love you to the moon,
the stars and back again

Miss you always
Love Mum & Dad

If tears could build a stairway and memories a lane
I would walk right up to Heaven & bring you back again,
I will hold you in my heart until I can hold you
in my arms, I used to be your angel & now you're mine,
Love your bestest friend Annie & Stacey
