Kodi

23.12.2007 - 26.11.2019

Our beautiful boy Kodi
You will be missed more than we
& the family can ever say, you were our little Boo,
our fat field mouse our very own Pumba.
You made us so, so happy with unconditional love
& loyalty and a truly remarkable loving character
who captured every single heart you met.
Rest in peace our angel & run wild and free forever.
Lots of love
