Milo

My constant companion, loyal and loving from the start.
You bought such love and laughter into my happy home.
With you sitting by my side I never felt alone.
Now you have left me. It's almost more than I can bear.
You no longer greet me as I walk through the door.
Your not there to make me smile, to make me laugh anymore.
Just for now I need time to mourn, My broken heart to mend.

My heart will always hold the pawprints left by you
