

Murphy

Thankyou our dear, sweet, crazy boy Murphy
for 14.5 years of devotion & happiness.
You was the most loyal dog we could have ever wished for.
Our hearts are broken but we have so many
happy memories and especially they way you were
with all of our Grandchildren, you adored them & they adored you.

We will miss you so much as will Hannah,
Sarah & Tom (Your sisters and brother)
as they always called you.

Your last day was as perfect as it could be as me & Daddy
took you for a lovely country walk where you made friends
with a cow and it licked your nose,
you even managed a little run which you hadn't done for a long time.
You enjoyed your treats and came home and had a nice sleep.

Then the vet came and gave you your injections
& you slipped peacefully away in our arms.
Our hearts will take a long time to mend
but you had a fantastic life and are now
free to play with your Son Vinnie.

We have you back home with us now in a beautiful casket
which will sit with Vinnie and Pepa's caskets.
Sweet dreams our special beautiful boy,
We will miss you forever.
