Bengy Robinson -Veal

Bengy we had to say goodbye to you today
it was the hardest thing for me to say.
It all happened so fast we were not ready to let you go
We all love and miss you our lives are not the same
for now we only feel sadness & our hearts are full of pain.
We miss your loud barking your demands for your food,
you slurping your water and running round the room.
The fun you had with Angus, all the baths in the tub,
chasing in the garden and playing in the mud.
You are one special westie unique in your own way we love
you so much, that we could not have you in pain.
So you are free now your spirit can fly free.
So goodbye darling Bengy be happy be free.
