Ernie

Life without you will never be the same,
I'm going to miss the snoring & constant pawing,
telling me it was time for a walk.
Who am I going to share my food with
& who will share my secret thoughts?
I always told you I preferred you too people
& this was truly meant.
You have left a huge hole in my heart Ernie,
I don't know if it will ever mend.
Until we meet again my boy, my love to you I send.

Love Mum
