To our beautiful Dora "Piglet"

Not a day goes by without us thinking of you, talking about you, wondering what you'd be doing now... Taken so young. You were such a beautiful & loving soul, our little girl....Dor-Dor.

We will never, ever forget you or stop loving you. Ruby misses you dearly, and looks for you everywhere, you'll be in her heart on every walk & every adventure...with your Big Sis xx.

Sleep tight baby girl.
Run and play over Rainbow bridge...
We will see you there, until we see you again,
we will love you forever.
