Rocky

We said goodbye to our darling boy on 5th November
It was truly the worst day of our lives.
For 14 wonder years this little fella was part of our family
& we are heartbroken he is no longer with us.
You were such a character and brought us such joy.
I miss our walks, you always decided which way we would go,
& Friday night was steak night which you always knew and
would practically sit on our trays to get closer to your share.
I miss you cuddling up to me and snoring.....
I just miss you Rocks, we all do.
Your brother Leo has not left my side since
you've been gone but he sleeps with your pillow.
Sleep tight our precious boy till we cuddle again,
We love and miss you so much xx
