In memory
Of our beautiful rescue boy

Bobby

who left us on 03.11.2020

We wish those 6 years could have been much longer,
but will always be thankful that you came to us
and will cherish the happy times we shared with you.
We were very, very lucky...

You will always be with us little fellow.
You were a true gentleman
with a beautiful soul & a big heart.

If we could go back to the place where they
made doggies, we'd ask for another Bobby.

Sleep well our wonderful Bobby boy.
