Dearest Blossom

Thank you for giving us a wonderful 18 years of joy as part of our family and the children's childhood.
We will never forget the touch of your lilac fur and your gentle purr when we scratched you under your chin and pink ears. You had the longest white whiskers that curled just at the ends and the most stunning yellow eyes that blinked softly when we spoke to you. In your younger years you were a skilful hunter and you gave us such a fright when you released a live present in the kitchen. You had a unique character which we understood and you always accepted our other cats over the years - Nelson, Honey, Monty and Betty.
Thank you for wanting to spend time with us towards the end - we could see how tired you were feeling and now it's time for you to rest peacefully.

We will always love you Blossom

Love

Mum, Michelle, Chris and Poppy xxxx
