Bentley

My dear Bentley, one of the saddest days of our lives was when your poor tired body just couldn't stay with us any longer and you had to leave. You were my life and my joy, my happiness and then my greatest of sadness.

You stole our hearts from the first day
we met you at 4 weeks old.
You were one in a million and loved
by everyone that knew you.
We loved you your whole life and
will miss you for the rest of ours.

Sleep in peace now my special, handsome boy.
