Millie Girl

Milly Girl you were a one off
There will never be another
like you. Thank you for
coming to look after us for 16
years. We will always carry
you in our hearts,
and we will look after your
brother until you are both
together again.

We miss you Millie Moo more than you know
but we know you are having fun
and are forever young and healthy.

Lots of love Mum and Dadda
xx
